

Comprehensive Pathology for Modern ASCs

For ASCs that depend on speed and accuracy, trust Oculus Pathology for all your pathology needs.

THE OCULUS PATHOLOGY DIFFERENCE

Backed by 45+ specialty and subspecialty pathologists for personalized consultation and eliminating the need for second-source, outside opinions.

Rapid turnaround times to support streamlined diagnosis and treatment planning.

Workflows that adapt to your needs and operations.

Designated customer service contact

Full integration with native EMR

Nearly 200 tests performed in-house

CLIA-certified
Accredited by the College of American Pathologists

The Oculus Pathology Labs marry a patient-centered approach to pathology with the most advanced tests and protocols to deliver an unmatched level of quality and clinical excellence and operational efficiency.
